Report

Date: 29/03/2025

A session on Positive Thinking and Wellbeing was organized at DCP-DIRD College to promote mental health awareness and encourage a constructive outlook among pharmacy students. The session was conducted by faculty members who addressed the importance of maintaining emotional balance, managing stress, and developing a positive attitude in daily life. Through real-life examples and interactive discussions, students were guided on how to stay motivated, focused, and resilient in both academic and personal situations. The session created a supportive environment where students felt encouraged to share their thoughts and experiences. It concluded with simple techniques for daily mindfulness and self-care, leaving students feeling inspired and uplifted.
