REPORT

Our college organized an Online Seminar on the Cyber Law by Mr. Ashish Chopra, for students of BA.LLB and BBA.LLB was organized on 12th November, 2024. In the wake of the increasing reliance on digital platforms for communication, business, education, and entertainment, the need for robust legal frameworks to govern cyberspace has become more pressing than ever. The seminar aimed to provide an in-depth understanding of the evolving field of cyber law, its impact on individual rights, and the regulatory mechanisms in place to combat cybercrime. The event brought together law students, and faculty members from across the country to discuss key aspects of cyber law, such as data privacy, intellectual property rights in the digital age, cybersecurity regulations, and the legal responses to cybercrimes. The online seminar on *Cyber Law* successfully provided an in-depth understanding of the key issues surrounding cyberspace regulation, data privacy, cybersecurity, and intellectual property protection. The discussions emphasized the dynamic and multifaceted nature of cyber law and the urgent need for continued legal. The event concluded with a call for greater collaboration among legal professionals to ensure that India's legal framework keeps pace with the rapid growth of the digital world. It also highlighted the importance of public awareness and education in protecting individuals' rights in the online space. reform to address the challenges posed by emerging technologies and global cyber threats. The insightful session conducted with the vote of thanks to the speaker.
