Report

Date: 25/11/2025

The Pharma Expo 2025, held on November 22, 2025, at Hindu College of Pharmacy, Sonipat, provided a comprehensive platform for showcasing the latest advancements in the pharmaceutical industry. The event saw active participation from students and faculty of DCP-DIRD, who attended to explore innovative trends, cutting-edge technologies, and emerging research in pharmaceuticals. The expo featured a variety of exhibits from leading pharmaceutical companies, educational sessions, and interactive workshops. Participants had the opportunity to engage with industry experts, learn about new drug formulations, and gain insights into the future of pharmaceutical manufacturing, research, and healthcare. The event also provided valuable networking opportunities, allowing students to connect with professionals and potential employers in the field. Overall, Pharma Expo 2025 was a great learning experience, enriching attendees with knowledge and insights crucial for their academic and professional growth in the pharmaceutical sector.

Report

Date: 30/01/2026

A visit to Bharat Parv was organized for the students of DCP-DIRD on 30 January 2026 at the Red Fort, Delhi. The visit was coordinated by **Ms. Swati**. The main objective of the visit was to provide cultural and educational exposure to the students. Bharat Parv showcased India's diverse heritage, traditions, and cultural richness. Students observed exhibitions on folk art, handicrafts, and regional cuisines from different states of India. Various performances representing Indian music, dance, and art forms were displayed. The students interacted with exhibitors to learn more about traditional crafts and cultural practices. The visit helped students understand the importance of preserving Indian heritage. Faculty members guided students and explained the significance of each exhibition. Students actively participated and asked questions to enhance their learning. The event highlighted India's unity in diversity. The visit encouraged appreciation for arts, culture, and history. Students also gained knowledge about sustainable practices in crafts. Overall, the visit was educational, informative, and enjoyable. The Bharat Parv visit successfully enriched the cultural awareness of DCP-DIRD students.

A visit to Bharat Darshan Park, Punjabi Bagh, Delhi was organized for the pharmacy students of DCP-DIRD. The visit was coordinated by **Mr. Arman Dalal**. The objective of the visit was to provide educational and cultural exposure to the students. Bharat Darshan Park features replicas of famous Indian monuments. These monuments are constructed using recycled waste materials. Students learned about sustainability and environmental conservation. The replicas represented different states and cultures of India. Faculty members guided students throughout the visit. The historical and cultural significance of each monument was explained. Students observed models of landmarks like the Taj Mahal and Qutub Minar. The visit encouraged experiential learning outside the classroom. Students actively interacted and asked questions. The park visit enhanced students' awareness of India's heritage. The experience was both informative and enjoyable. Overall, the visit was well-organized and successful.
