Report

Date: 08/12/2025

The Online Faculty-Student Development Program (FSDP) 2025, organized by Pharmalok, took place from November 23 to December 7, 2025. This program aimed to enhance the academic and professional capabilities of both faculty members and students. Featuring a series of webinars, interactive workshops, and expert sessions, the program covered key topics such as innovative teaching techniques, cutting-edge pharmaceutical research, and career advancement strategies. Faculty members and students from DCP-DIRD participated actively, gaining valuable insights into the latest developments in the pharmaceutical field. The FSDP 2025 fostered an environment of knowledge exchange, skill development, and collaboration, making it a highly impactful learning experience for all attendees.
