PRINCIPAL MESSAGE

It is a matter of great pride and satisfaction for DIRD to bringing out a College Newsletter. The College Newsletter will definitely help to showcase the activities that are happening in the campus. We have tried to encourage and motivate our students to participate in various activities. Our endeavour at DIRD is to provide the platform where our students can take up the opportunity and the challenges to do the things they are capable of and rise to their potential. It also helps in building up teamwork which is very much needed today in the world of competition. It provides a platform for exposing the creativity and academic achievements of the students as well faculty members. I hope that this culture of releasing Newsletter continue forever.
I wish the best of fortune, peace and prosperity to all DIRDIANS!
