Date:17/08/2026

During the academic session 2025–26, the college had students enrolled up to the third year of the B.Pharm programme. As the students had not yet reached the eligible stage for campus placement, no formal placement activities were conducted during the session.

For the upcoming academic session 2026–27, the college plans to initiate and strengthen placement activities for eligible students. A Placement Committee has been constituted to coordinate placement-related activities, provide career guidance, facilitate industry interactions, and organize recruitment drives. The college also has tie-ups with various companies to facilitate employment opportunities for eligible students.

The college is committed to establishing a structured placement process and enhancing students' employability through industry collaboration, career counselling, and recruitment opportunities in the pharmaceutical and allied sectors.
